

## GSP: Cahaba Room

**Voting is the only way to make your voice heard. To make sure every Team Member has designated time to vote, we have developed the below release schedule.**

If you aren't able to vote during the time(s) listed on the voting release schedule below or if you are in a position like Maintenance that isn't listed - don't worry. Eligible Team Members are allowed to vote any time or day the polls are open.

If you vote in a location other than your primary work area, your ballot may be challenged. This does not mean it will not be counted, and your vote will still be secret. It is just part of the National Labor Relations Board process to ensure each voter is only voting once in the election.
