

What does a union authorization card have to do with the election?

NOTHING.

- ✓ You can still vote in the NLRB election whether or not you signed anything.
- ✓ You can still vote “no” even if you signed a card.
- ✓ Your vote will be a secret unless you choose to tell someone.

Ask yourself: why would UAW tell you to sit this out? Despite what you heard, you need to vote.

If you don't want a union, vote NO May 13-17.
